

**Larimar Therapeutics Announces Closing of Underwritten Public Offering of Common Stock and Exercise in Full of the Underwriters' Option to Purchase Additional Shares**

July 31, 2025

BALA CYNWYD, Pa., July 31, 2025 (GLOBE NEWSWIRE) -- Larimar Therapeutics, Inc. ("Larimar") (Nasdaq: LRMR), a clinical-stage biotechnology company focused on developing treatments for complex rare diseases, today announced the closing of its previously announced underwritten public offering of 21,562,500 shares of its common stock, which includes the exercise in full of the underwriters' option to purchase 2,812,500 additional shares, at the public offering price of \$3.20 per share. The aggregate gross proceeds to Larimar from this offering, before deducting underwriting discounts and commissions and offering expenses, were \$69.0 million.

Leerink Partners, Guggenheim Securities, Truist Securities and William Blair acted as joint bookrunning managers for the offering.

Larimar intends to use the net proceeds from the offering to support the development of nomlabofusp and other pipeline candidates, and for working capital and general corporate purposes, including research and development expenses and pre-commercialization expenses.

The shares were offered pursuant to a shelf registration statement on Form S-3 (File No. 333-279275) that was declared effective by the Securities and Exchange Commission ("SEC") on May 24, 2024. A final prospectus supplement and accompanying prospectus relating to the offering were filed with the SEC on July 30, 2025 and is available for free on the SEC's website at [www.sec.gov](http://www.sec.gov).
